

Meeting Notes Date:
11/16/22

Roles

- Creative Director: Abby
- Designer/Developer: Krissy

Notes

- LOVE the background texture 😊
- Adjust left margin on wrap texts to be in line with image
- List the sources in the footer instead of a new page
- Change the image on the 2000s tab to have some sepia or b&w filter
 - o Right now, the only pic in color
- Hamburger menu in the nav for mobile
- Move Spotify playlist above the body text on home page to differentiate from other pages
 - o Open to other ideas of how to differentiate the home page!
